NOVEMBER/DECEMBER 2011

Dates for November have yet to be finalized. We will be holding an Open Day and Christmas Craft Stall in late November/early December. Open Days will then be suspended until March 2012.

We will also be looking for **volunteers** to help us with tree-planting to complete the work we started in Betty's Wood during 2010/11, as well as to help with coppicing and other woodland management tasks. Please watch the web site, Facebook or Twitter for further details.

If you would like to organize a visit to the woods at any other time, please let us know. We are always willing to help.
