

#### Scented Soya Candles—7.5cm x 10cm pillar

These lovely candles are individually hand-made from soya wax. Each candle should burn for at least 20 hours and will give off a wonderful fragrance. They should be placed on a heat-proof candle dish when in use. They are offered in fragrances associated with Alvecote Wood: apple and oak (green), summer berries (pink), bluebell (blue), elderflower (natural ivory) and insect-repellent citronella (pale yellow). NB These are natural products and may vary slightly in colour and appearance

**Price £4.99 each**

#### Greetings Cards—NEW range for 2010

These greetings cards are blank inside so you can write your own message. Each photograph was taken by ourselves at Alvecote Wood and the range is designed to reflect the range of habitats, wildlife and seasons at the Wood. Cards are 14cm square, and come in a clear cellophane wrapper with a matching envelope. Five designs are available: Painted lady butterfly, brambles in the snow, bluebells, oak glade and two trees in winter.

**Price £1.50 each or four for £5.00.**

#### Christmas Cards 2009—Reduced!

From our own photographs at Alvecote Wood, these cards are available as a pack of 8— four each of two different designs—frosted leaves and frosted grass at Alvecote Wood. They are cellophane wrapped with matching envelopes. There is no greeting so you can add your own, and they may serve as general purpose greetings cards as well.

**NOW only £2.99 per pack of 8 cards.**

#### How to Order

**By Telephone:** 01827 286267

**Online:** Please order online at [www.alvecotewood.co.uk/products.php](http://www.alvecotewood.co.uk/products.php)

Alvecote Wood comprises 11 acres of ancient predominantly-oak woodland in North Warwickshire. We are developing and managing it as a wildlife site and community resource. We offer a small selection of hand-made craft products to provide funds for the benefits of Alvecote Wood. We make our wooden key fobs from wood harvested as part of woodland improvement for wildlife. All our candles are hand-made using natural beeswax and soya wax, both of which are sustainable products. We use scents to reflect the smells of Alvecote Wood—oak, apple, elderflower, bluebell, berries and citronella. Our greetings cards are produced using images photographed by us at Alvecote Wood. If you would like to read more about Alvecote Wood, please come to an open day, or if you run a community group who might like to visit our wood, please visit our web site. **All prices given include VAT but exclude postage and packing.**

**Order online at [www.alvecotewood.co.uk](http://www.alvecotewood.co.uk)**

#### Key fobs

These key fobs are hand-made using wood from the trees at Alvecote Wood. Each is labelled with the name of the tree from which it came using pyrography. Every key fob is unique and individual. Availability will vary according to availability of wood, but we are able to offer oak, ash, elder, hawthorn, willow, sycamore and crab apple. Designs may vary slightly depending on size of available wood.

**Price £1.49 each**

#### Beeswax Candles 4.0 x 6.5cm and 4.0 x 10cm

These beautiful candles are hand-rolled from natural beeswax embossed with a honeycomb pattern. Each one is unique, and will burn in a slightly different way. Each small candle will burn for approximately 4 hours, and large candles will burn for approximately 6 hours, giving a warm light and a sweet beeswax and honey smell. You will need to put these candles on a heat-proof candle dish as they wax may dribble from the candle while burning.

**Prices: £2.50 for a box of two small candles or £5.00 for a box of three large candles.**

#### Scented Soya Candles—6.0cm tin

These candles are individually hand-made from soya wax. This is a sustainable product and unlike conventional candles does not use fossil fuel. Contained in a small tin, these candles will burn for much longer than a tea-light but with similar convenience, and will give off a beautiful scent. Each candle should burn for 12 hours. They should be placed on a heat-proof surface prior to use. They are offered in fragrances associated with Alvecote Wood: apple and oak (green), summer berries (pink), bluebell (blue), elderflower (natural ivory) and insect-repellent citronella (pale yellow).

**Price £2.50 each**

#### Scented Soya Candles—6.5cm x 5.5cm tumbler

These candles are individually hand-made from soya wax. This is a sustainable product and unlike conventional candles does not use fossil fuel. Contained in a small tumbler, these candles will burn for at least 12 hours, and will give off a beautiful scent. The tumblers will take a standard votive candle refill when your scented candle is spent. They should be placed on a heat-proof surface prior to use. They are offered in fragrances associated with Alvecote Wood: apple and oak (green), summer berries (pink), bluebell (blue), elderflower (natural ivory) and insect-repellent citronella (pale yellow)

**Price £2.50 each**

#### Scented Soya Candles—7.0cm x 8.0 cm jam-jar

These candles are individually hand-made from soya wax. This is a sustainable product and unlike conventional candles does not use fossil fuel. Contained in a squat jam-jar, these candles will burn for at least 20 hours, and will give off a beautiful scent. The jam-jars can be re-used or recycled once your candle is spent. They should be placed on a heat-proof surface prior to use. They are offered in fragrances associated with Alvecote Wood: apple and oak (green), summer berries (pink), bluebell (blue), elderflower (natural ivory) and insect-repellent citronella (pale yellow)

**Price £4.99 each**
