

EXCITING DAY COURSES AT ALVECOTE WOOD

Robey's Lane, Tamworth. B78 1AS

18th May: Using tools and working with green wood.

A whole day spent looking at the basic principles of green wood working. We will show you how to select and harvest green wood in a sustainable way, use tools to turn your piece of wood into a useful and interesting object. Examples include mallets, books, wind chimes and musical Instruments

16th June: How to prepare and manage a camp fire.

Spend the day at Alvecote wood and learn the basic techniques of lighting and managing a camp fire. You will learn how to select appropriate wood for burning, useful ways of lighting your fire from both natural and man-made sources and learn simple cooking techniques on the open fire.

14th July: From tree to spoon

Learn how to select and process green wood sustainably and use green wood tools to make a spoon. A very relaxed day spent in the lovely Alvecote Woods.

All Courses run from 10am—4pm each day.

Costs: £70 per person—includes lunch and refreshments throughout the day.
